

DBE & PRIME CONTRACTOR OUTREACH MEETING

Project Description

Project R-4902 consists of widening existing I-485 (Charlotte Outer Loop) from four to six lanes, from I-77 to US 521 (Johnston Road) in Mecklenburg County. The project is approximately 6.8 miles long.

The North Carolina Department of Transportation is hosting an outreach meeting for DBE Contractors, interested in sub-contracting opportunities on the widening of existing I-485 (Charlotte Outer Loop). Staff from NCDOT Design Build, BOWD, Contractual Services and Division 10 as well as Short Listed Teams, will be on hand to discuss available opportunities.

(PROPOSALS DUE - August 1, 2012)
